WRIGHT'S Indian Vegetable Pills. This medicine is compounted on general principle, from the pure, unadditerated boths of the Indian. Atthrough there are many medicines called by the same name, every one is aware that there is a very greet difference among them. These of them that are called "Indian," lave stolen

the name from us, who were the first to introduce a prepa-red Indian medicine to the American public. Of course a similarity of name discs not create a similarity in the charneter of the medicine.

Wright's Indian Vegetable Pills are distinguished for their period adaptation to the human body. In their operation, they do exactly what nature does, and nothing more. They have a FOUR-FOLD ACTION, upon the lungs, skin, kidneys and howels. Hence their peculiar power over discose.

Hy promating perspiration, they break up Cones Comma, RHEUMATIC COMPLAINT, PAIR IN THE BACK, CROFTLA, CUTANEOUS ERUPTIONS, PIMPLES, BLOTCHES, PRECEDES,

PhysiPenas, &c.
The netion of the Pills on the kidneys is such as to make them a valuable lithontriptic. DROPSY, GRAVEL, and Pa-

MALE COMPLAINTS, arising from obstructions at certain periods, are speedily removed by their use.

A free Expectonation from the longs is excited by the use of Wright's Indian Vegetable Pills, thus removing Pulmonary Complaints, such as Astima, Bronchita, Soneness and Tightness of the Breast, Coughs, Sore Throut, &c.
By their action on the Stomach and Bowns, the Pills

cure Dyspersia, Laver Complaint, Palpitation of The HEART, FLATULENCY, COSTIVENESS, FEVERS of all kinds, Pleurisy, Headache, Giddiness, Dysentery, Piles, and all disorders of the intestines. Taken in small doses, Wright's Indian Vegetable Pills

become an ALTERNATIVE medicine, of great searching efficacy, for the cure of Sones of all kinds, Terren, Tumora, JAUNDICE, LOWNESS OF SPIRITS, NECHALGIA, RASH, PAINS IN THE BOXES, &c.

There Pills also thoroughly break up INTLUENZA, in which complaint they are extremely valuable.

In Big.tor's Complaints, these Pills exercise a complete. nostery. Hence PEYER AND AGER is speedily cured by the use of them. In the Western and Southern States, where

this discuse mostly prevails, these Pills go like an Avalanche, in general, Wright's Indian Vegetable Pills have been pt as smeed superior to all of them. Indeed, it would ap, pear that if there is one complaint over which these Pills have more power than another, it is FEVER AND AGUE. For destroying and expelling Worsts, no Vernifuge is superior to these Pills Although we have not taken pains to make this fact public, the merit of the medicine itself has acquired for it an extensive reputation and sale for the reneval of Worms Administered to adults or children, the effect of the Pills is equally radical and decisive. All who

suffer from Worms should by all means, use Wright's Inlian Vegetable Pills, In thet, no one can go amiss in the use of this medicine. They are initial to the body as food is. A trial will envince the skeptical that Wright's Indian Vegetable Pills for from being a common "quack nostrum," are decidedly the most valuable medicine ever offered to the public.

Beware of Sugar Coated Counterfelts. Remember that the original and only genuine Indian

Vegetable Pills have the written signature of Wm. Wright on the top label of each box. ETTEE OL Wright's Indian Vegetable Pills.
